2. SPORTING REGULATIONS - JUDICIAL PROCEDURES

2.1 Rounds

In accordance with Section C of the current MSA Yearbook

2.2 Challenge

In accordance with Section C of the current MSA Yearbook

2.2.1 Disputes on the Sporting Regulations which arise during the season will be settled by the Challenge Stewards in accordance with the MSA Regulations, these Regulations and any Official Bulletins that have been issued.

The case for any dispute must initially be submitted to the Challenge Co-ordinator in writing together with the appropriate MSA prescribed protest or appeal fee.

The Stewards **decision** will be subject only to the Right to appeal to the MSA.

An appeal against any decision of the **Organisers** must be submitted in writing to the Challenge Stewards within 7 days of the date of despatch of such decision, accompanied by the MSA prescribed appeal fee.

2.3.2 If it appears from the official video recordings or from any other additional evidence that there may have been a breach of driving standards or behaviour on or off the track, in a manner considered to have brought the Challenge into disrepute, the Challenge Co-ordinator will be entitled to request that the Challenge Stewards consider the inception of an enquiry into the matter, notwithstanding that the Clerk of the Course or the Stewards of the event, may or may not, have already investigated the incident. Penalties may include individual race bans, loss of awards. The Challenge Stewards **decisions** will be subject only to the right of appeal to the MSA.

3. SPORTING REGULATIONS CHALLENGE RACE MEETINGS & RACE PROCEDURES

3.1 Entries

- 3.1.1 Competitors are responsible for sending in correct and complete entries with the correct entry fees prior to the entry selection dates, which shall be 14 days before every round.
- 3.1.2 Incorrect or incomplete entries (including driver to be nominated entries) are to be held in abeyance until they are complete and correct. The date of receipt for acceptance of entry purposes shall be the date on which the Secretary of the Meeting receives the missing or corrected information or fee.
- 3.1.3 Any withdrawal of Entry or Driver/Car changes made after the acceptance of any entry must be notified to the Secretary of the Meeting in writing. If Driver/Vehicle changes are made after publication of Entry Lists with Final Instructions the competitor concerned must apply for approval of acceptance by the Stewards of the Meeting before signing on.
- 3.1.4 The Maximum entry fee for every round shall be as stipulated in the Supplementary Regulations plus any late entry surcharge imposed by the club.
- 3.1.5 In the event of any rounds being oversubscribed the Organising Clubs, in liaison with the Challenge Co-ordinator may at their discretion run Qualification Races. For Qualification Race Procedures see 3.13 of these Regulations.
- 3.1.6 Reserves are to be nominated on the Final List of Entries published with Final Instructions or Amendment Sheet Bulletins. All Reserves will practice and replace withdrawn or retired entries Reserve Number order irrespective of class. If Reserves are given Grid Places prior to issue of the first Grid Sheets for any round the times set in Practice shall determine their grid positions. If Reserves are given places after publication of the grid sheet and prior to cars being collected in the Official "Assembly Areas" they will be placed at the rear of the Grid and be started without any time delay. Otherwise, they will be held in the Pitlane and be released to start the race after the last car to start the GREEN FLAG LAP or last car to take the start has passed the startline or pitlane exit, whichever is the later. Such approval to start MUST be obtained from the Clerk of the Course.

3.2 Briefings

Organisers will notify competitors of the times and locations for all briefings in the Final Instructions for all meetings, or subsequent bulletins, competitors must attend all briefings.

3.3 Practice/Testing

- 3.3.1 The minimum period of practice to be as specified in the MSA Regulations in respect of circuit lengths.
- 3.3.2 Should any practice session be disrupted the Clerk of the Course shall not be obliged to resume the session or re-run sessions to achieve the Challenge/series criteria and the decision of the Clerk of the Course shall be final.
- 3.3.3 Should the need arise to stop a practice session RED LIGHTS will be switched on at the Start Line and at all Marshals' Signalling Points around the circuit. This is the signal for all drivers to cease racing speeds, to slow to a safe and reasonable pace and to return to the START LINE, which will automatically become a Parc Fermé. Cars may not enter the pits unless directed to do so.

3.4 Qualification

- 3.4.1 Each driver should complete a minimum of 3 laps practice in the car to be raced and in the correct session in order to qualify for selection and order of precedence as set out in the MSA regulations [Q 4.5]. The Clerk of the Course and or Stewards of the meeting shall have the right to exclude any driver whose practice times or racing are considered unsatisfactory as per MSA Regulation [Q 4.5.3].

2014 Dunlop TVR Challenge Regulations

Issued by BRSCC: 12th March 2014

Version: Published Copy

3.4.2 A qualification session of a minimum of 15 minutes in duration will be provided,

3.4.3 Grids will be formed using the finishing positions from the qualifying session.

3.4.4 In a case where two races are scheduled and only one qualifying session can be scheduled the finishing order of race one will dictate the grid order for race two. Any cars which are not classified in the first race may take up position on the back of the grid for the second race in reverse order of retirement from the first race.

3.5. Races

3.5.1 The standard minimum scheduled distance shall be 12 miles.

3.6 Starts

3.6.1 All race start countdowns are to have a minimum elapsed period of 3 minutes from the time all cars are released to form up the grid to the start of the Green Flag lap(s) in the formation as specified on the Track Licence for the Circuit.

3.6.2 The Countdown procedures shall be:

Standing Starts

1 minute to start of Green Flag lap - Start Engines/Clear Grid.

30 Seconds - Visible and audible warnings for the start of Green Flag lap.

At certain venues and under certain conditions two green flag laps may be given. This will be notified at the venue.

3.6.3 The use of tyre heating/heat retention devices, tyre treatments and compounds is prohibited.

3.6.4 Any cars removed from the grid after the 1-minute stage or driven into the pits on Green Flag shall be held in the pit lane. They may start the race after the last car to take the start from the grid has passed the start line or pit lane exit, whichever is the later.

3.6.5 Any drivers unable to start the Green Flag lap or start are required to indicate their situation as per MSA Regulation [Q 12.13.2]. Any drivers unable to maintain grid positions on the Green Flag to the extent that all other cars are ahead of them may complete the Green Flag Lap. They MUST remain at the rear of the last row of the grid but ahead of any cars to be started with a time delay.

3.6.6 Excessive weaving to warm-up tyres using more than 50% of the track width and falling back in order to accelerate and practice starts, is prohibited.

3.6.7 After the Green Flag lap has been completed and once the starter is satisfied that the cars are ready, a 5 Second Board will be shown to indicate that the start lights are imminent. The race start is when the red lights go out. In the event of any starting lights failure the Starter will revert to use of the National Flag.

3.7 Race Stops

3.7.1 Should the need arise to stop any race or practice, RED LIGHTS will be switched on at the Start Line and RED FLAGS will be displayed at the startline and at all Marshals Signalling Points around the circuit. This is the signal for all drivers to cease circulating at racing speeds, to slow to a safe and reasonable pace and to return to the starting grid area, which will automatically become a Parc Fermé area.

Cars may not enter the pits unless directed to do so. Work on cars already in the pits must cease when a race is stopped.

3.7.2 **Case A – Less than two laps completed by the race leader.**

The race will be null and void. The race will restart from the original grid positions. Competitors unable to take the restart may be replaced by reserves who will start from the back of the grid in reserve order. Gaps on the grid should not be closed up. The length of the restarted race will be determined by the Clerk of the Course.

2014 Dunlop TVR Challenge Regulations

Issued by BRSCC: 12th March 2014

Version: Published Copy

3.7.3 **Case B – More than two laps completed by the race leader but less than 75% of the scheduled distance.**

The race will restart from a grid set out by the finishing order of part one (as per MSA Regulation [Q 5.4.2]) The result of the race will be the finishing order of part two. The length of the restarted race will be determined by the Clerk of the Course.

3.7.4 **Case C - More than 75% of race completed**

If the leader has completed more than 75% of the race distance or duration it shall not be restarted and the results will be declared in accordance with MSA General Regulations [Q 5.4.3], unless the Clerk of the Course, in consultation with the Stewards, deem it appropriate to restart the race.

3.8 **Rescrutiny**

All vehicles reported involved in contact incidents during races or practice must be re-presented to the Scrutineers before continuing in the races or practice.

3.9 **Pits and Pit Lane Safety**

3.9.1 **Pits**

Entrants must ensure that the MSA, Circuit Management and Organising Club Safety Regulations are complied with at all times.

3.9.2 **Pit Lane**

The outer lane or lanes are to be kept unobstructed to allow safe passage of cars at all times. The onus shall be on all Drivers to take due care and drive at minimum speeds in the Pit Lanes.

3.9.3 **Refuelling**

May only be carried out in accordance with the MSA Q13 Regulations, Circuit Management Regulations and SR's or Final Instructions issued for every meeting.

3.9.4 **Speed Limit**

The pitlane speed limit will be 60km/hr.

3.10 **Race Finishes**

3.10.1 After taking the Chequered Flag drivers are required to progressively and safely slow down, remain behind any competitors ahead of them, return to the pit lane entrance as instructed, comply with any directions given by marshals or officials and to keep their helmets on and harnesses done up while on the circuit or pit lane.

3.11 **Results**

All Practice Timesheets, Grids, Race Results are deemed provisional until all vehicles are released by Scrutineers after Post Practice/Race Scrutineering and/or after completion of any Judicial or Technical Procedures.

3.12 **Timing Modules**

3.12.1 All competitors will be required to fit Electronic Self Identification Modules to their cars for the purposes of accurate timing. Holders for these and detailed fitting instructions will be issued with the transponders and it will be the responsibility of the competitor to fit these in the car in the position and manner specified. The Modules must be in place and functioning correctly for all Challenge qualifying practice sessions and races. The setting and servicing of these items must only be carried out by properly authorised MSA licensed Timekeepers. Competitors will be charged by the timing company for replacement of the Modules due to misuse or loss at any time during the season.

3.12.2 Competitors may not place electronic timing equipment within five metres of the official Start, Finish or any other official timing lines at any event or test session/day. Any such equipment placed within these zones will be removed.

3.13 **Qualification Races**

2014 Dunlop TVR Challenge Regulations

Issued by BRSCC: 12th March 2014

Version: Published Copy

In the event of any qualification races, the procedures will be as published in the Final Instructions for the events concerned.

3.14 Operation of Safety Car

3.14.1 The Safety Car will be brought into operation and run in accordance with Section Q, Appendix 2 of the MSA General Regulations.

4 CHALLENGE RACE PENALTIES

- 4.1.1 **Arising from post practice Scrutineering or Judicial Action**
Minimum Penalty: The provisions of MSA Regulation [C 3.3].
- 4.1.2 **Arising from post race Scrutineering or Judicial Action**
Minimum Penalty: The provisions of MSA Regulations [C 3.5.1 (a) & (b)].

For infringements deemed to be of a more serious nature the Clerk of the Course and/or Stewards of the Meeting are empowered to invoke the provisions of Regulation [C 3.5.1 (c)].

4.2 Infringements of Non-Technical MSA Regulations and the Sporting Regulations Issued for the Challenge

- 4.2(a) The Clerk of the Course reserves the right to impose a 'Stop-Go Penalty/Drive Through Penalty' in accordance with MSA Regulation [Q 12.6].
- 4.2.1 As per current MSA Judicial Procedure Regulations.

Single Qualifying Session, Single Race.

At any meeting, event, official qualifying or race, where any competitor shall be found guilty of any of the following offences, they shall forfeit all points in the challenge gained solely at that event to that point during the event and shall be ineligible to score any points for the remainder of that event.

Multiple Qualifying/Multiple Race.

In the case of double header races or multi-races, where an offence below is committed during any qualifying session(s) or the first race, then points gained for the qualifying session(s) and the first race will be forfeited. Where an offence occurs during any subsequent race then the points solely gained for that race shall be forfeit.

Should two separate offences be committed, then all points shall be forfeited for that whole event, irrespective of the timing of the offence committed at that event. Where a "double header" event take place at the same venue over a weekend and is conducted as two separate race days then this regulation shall only apply to each day individually.

The offence is;

- a) Reckless or dangerous driving in the course of a meeting - MSA Regulation [C 1.1.5].

- 4.2.3 In order to maintain standards of conduct, the Challenge Coordinator will monitor all Officials/Observers reports of adverse behaviour at race meetings. If any individual is included on such reports during one racing season they will receive a written warning from the **Organisers** that their driving/behaviour is to be specifically observed at future race meetings. Any adverse reports during this period of observation could result in a Challenge Stewards' enquiry, with possible loss of Challenge points and refusal of further race entries, are the discretion of the organisers.

4.2.4 **Championship Penalties**

For offences under MSA regulations [C1.1.5], [C1.1.6], [Q14.4.2] and [Q14.5] the Clerk of the Course, as his discretion, may additionally impose a championship penalty in the form of the following:

- (i) For an offence in qualifying; a grid penalty of up to ten places
- (ii) For an offence in a race; a time penalty of up to one minute
- (iii) For an offence in a race where the offending driver is not classified; a grid position penalty in the next race/event.

For a driver who has already received a penalty during the course of a season, any subsequent penalty WILL have a championship penalty applied. Where a championship penalty has previously been applied, the severity will be increased

5. TECHNICAL REGULATIONS

5.1 Introduction

The following Technical Regulations are set out in accordance with the MSA specified format & it should be clearly understood that if the following texts do not clearly specify that you can do it you should work on the principle that you cannot. Competitors are advised to read MSA Regulation Section [J 4] – [J 5]- [Q 19] – Section B Nomenclature & Definitions & Section L of the current MSA Yearbook.

5.2 General Description

- b** Retain the car for detailed examination at premises chosen by the organisers. If the organisers elect to retain the car they shall make it available for collection by the competitor at least seven days prior to the qualification session for the next race in the Challenge unless the car is found to be in breach of these regulations and/or
- c** Seal the car and its components in such a manner as they may choose and require the competitor at their own expense to present the car at any other premises chosen by the organisers for detailed examination within a specified period and/or remove the car by transporter at no expense to the competitor to an appointed location. The competitor will be advised in writing of the time, date and location of the subsequent testing or eligibility examination.

The organisers reserve the right to re-inspect vehicles at any time during the course of the season, should there have been a regulation infringement or circuit incident.

Competitors will be personally and solely responsible for ensuring that their cars comply with their registration details and with these regulations for each event at which they are entered. Failure to comply in either respect will be a breach of these regulations. Queries concerning eligibility should be referred in writing to the organisers Challenge Eligibility Scrutineer at least seven days prior to an event entered, to permit a ruling in advance of any meeting at which it is intended to compete.

The Challenge organisers may at any time have a car sealed by the MSA Eligibility Scrutineer for the Challenge. That car will be checked by Readman Racing in accordance with MSA General Regulations.

Springs dampers & anti-roll bars are free but must attach to original mounting points. Spring & damper operation are to remain as original, i.e. coil over damper. Additional springing & damping mediums are prohibited. The basic concept is to remain as original i.e. double-wishbones. Suspension bushes are free but must attach to the original pick-up points, both at the chassis & the upright. It is allowed to replace ball joints with spherical bearing kits top and Bottom.

**Class C
(Chimaera &
Griffith only)** The cars are permitted to use only original suspension layout with bushed wishbones, original uprights and hubs and standard TVR steering rack (PAS or non PAS). Rose joints are not permitted. One way adjustable dampers with adjustable spring platforms are permitted

5.8.2 Wheelbase And Track

Tuscan & Sagaris The wheelbase is: -2336mm + 6mm.

2014 Dunlop TVR Challenge Regulations

Issued by BRSCC: 12th March 2014

Version: Published Copy

Front Track: -1482mm + 6mm

Rear Track: -1482mm + 6mm

The wheelbase and track will be measured with 1° of negative camber.

5.8.3 No machining of the front & rear hubs is permitted.

Class A Tuscan & Sagaris Front hubs are available in EN24T part no. (LHS) T45C064R (RHS) T45C063R all parts carry a serial number mandatory from January 2000.

Tuscan & Sagaris It is also mandatory that they are crack tested **at the start of each racing season** (Checked on a magnetic tester e.g. Magnaflux) a certificate must be obtained and presented at scrutineering. Alternatively new replacements may be fitted.

5.9 Transmission

5.9.1 Free in all classes except Class C Chimaera & Griffith as detailed below.

5.9.2 It is permissible to fit an oil pump & cooler in order to cool the gear box oil. It is also acceptable to fit oil pick up & return pipes to the gearbox casing for this purpose only.

5.9.3 **Class C (Chimaera & Griffith only)** The gearbox can be Borg Warner T5 or LT 77/80. In both cases standard ratios must be used with the exception of a straight cut lower ratio 5th.
The differential can be BTR or GKN with any ratio or LSD

5.10 Electrics all classes

5.10.1 Exterior Lighting

Class A,B & C The TVRs are equipped with headlights brake lights, taillights and indicators and high density rear light. All lights must work.

All lighting must be operational at all times on all classes.

5.10.2 Battery

Batteries are of sealed and leak proof design and may be replaced with a standard "wet plate" type battery, provided it is covered by a battery cover as long it's a non-conductive cover. As the earth lead is braided it is readily identifiable and so does not require yellow markings. Should this braided lead be replaced with the insulated variety then please note that it should be marked yellow.

5.11 Brakes

5.11.1 The brakes are hydraulically operated with a bias bar pedal box and two master cylinders split front to rear. There are ventilated curved vane discs all round. The pad material and fluid is free. A cockpit adjustable brake bias bar is permitted. The copper alloy brake lines may be substituted for aircraft type metal braided hoses. The master cylinder sizes may be altered in all classes.

Class C (Chimaera & Griffith only) The brakes must be to the standard layout but can be any specification.
The pedal box may be changed to non servo and adjustable bias

5.12 Wheels and Steering

5.12.1 The permitted wheels are a 9" x 18" front and 11" x 18" rear wheel as shown below.

Class C (Chimaera & Griffith only) The permitted wheels are 8 x 17 front and rear but offsets are free. Magnesium or carbon wheel material is not permitted.

2014 Dunlop TVR Challenge Regulations

Issued by BRSCC: 12th March 2014

Version: Published Copy

5.12.2 It is not permissible to adjust the track width beyond the safety tolerances of the Goldline Rose Joints. The measurements from the centreline of the rose joint to the boss on the lower wishbone should be 42mm maximum. That for the top wishbones with the quick adjusters should be a maximum of 38mm.

5.12.3 Power steering is permitted.
All Classes Electric or hydraulic assisted power steering

5.13 Tyres

Two types of tyre are permitted, all Dunlop. There is a single compound slick tyre and a wet tyre of defined tread and compound. Class A-B-C

(Chimaera & Griffith only)	Wets	210-620-R17 A22W – 404 – CR9000

It is not permitted to use the wet weather compound uncut, as a slick.

5.13.2 No other tyres or compounds are currently permissible, but the organising club retains the right to introduce an optional, additional slick tyre, notified by bulletin, during the season.

5.13.3 Tyre quantity control is as follows: All classes

It is not permitted to use wet weather tyres on dry tracks during timed practice.

Tyre must only be used in the standard condition as supplied by the manufacturer. The application of any material (liquid, solid or gas) to any part(s) of the tyre is forbidden. The only exceptions are the use of pure or domestic water for cooling purposes and lubricants applied to the tyre bead for fitting purposes. The organisers reserve the right to take samples of the tyre material at any time for laboratory analysis.

5.14 Minimum Weight Limit

The minimum vehicle weights are shown below. This weight is defined as the weight of the vehicle in running order i.e. in race trim, containing sufficient fluids to enable it to be driven. It will be regularly checked, without the driver seated and the limit takes into account circuit weighbridge discrepancies.

Tuscan & Sagaris Class A 850Kg.

5.15 Fuel Tank And Fuel

5.15.1 Type of Fuel Tank and Location

Tuscan & Sagaris The tank must remain in the standard location as designed, it may be turned by 90° to move the fuel tank further away from the silencer. The cover over the exhaust, which isolates the exhaust from the oil tank, battery, & fuel tank must be fitted. A bag tank is permitted with internal fuel pumps. Additional fuel tanks are permitted. The fuel filler must be of the funnel type fitted above the tank in the tonneau cover. The pumps, hoses, filters etc. are free but the pumps must be electrically operated. A fuel cooler is permitted.

Class C (Chimaera & Griffiths only) The petrol tank must be located behind the driver.

5.15.2 **Fuel**

6.2 Commercial Undertakings

The Dunlop TVR Challenge and all intellectual rights and properties are owned solely by Mr J. Reid and/or Readman Racing.

6.2.1 Vehicle Presentation

The presentation of the car is fundamental to the profile of the Challenge and its audience. Therefore in considering whether to permit any car to race, at any point during the season, the organisers will regard as paramount the presentation of the car. In taking into account its appearance inherent in which is the standard of its presentation (including interior) they may exclude any car which they consider may prejudice the reputation of the Challenge or is otherwise unacceptable.

This will include where the car is presented at a race event bearing accident damage sustained at a previous event and which has not been subject to the completion of a full and proper repair. Note: A double header can be regarded as one event for the purposes of this regulation.

6.2.2 Advertising/Glass

6.2.2.1 All glass areas must remain clear and unobstructed by decals/advertising or any other obstruction unless these regulations specify different or approved by the Challenge Co-ordinator.

6.2.2.2 The only exception being the rear side windows that should have the drivers' surname and Challenge class (if any), clearly displayed in simple bold type, unless these Challenge regulations specify a different option.

6.2.2.3 All surfaces, which have not been claimed for stickers by the Challenge, it's sponsors or used for the application of starting numbers, are free for use. The Challenge Co-ordinator must approve conflicting sponsor's stickers in advance and the position, size and colours (if approved) will be at the discretion of the Challenge Co-ordinator.

6.2.3 Vehicle Decals & Overall Patches.

The Dunlop Challenge decals must be positioned on the vehicle in a clear unobstructed manner in locations as per the drawing specified by the Co-ordinator.

All Challenge Drivers/Vehicles must display a Challenge Sponsor's decal positioned on the top section of their windscreen and a cloth patch sewn on to their Race overalls in the position as stated by Readman Racing, if not a fine will be imposed. Readman racing reserve the right to add to this requirement (in writing) during the Challenge season.

6.2.4 Promotional Activities.

Drivers may be required to co-operate with promotional activities e.g. pits walkabouts, spectator rides & driver parades.
