REGULATION AMENDMENTS & CLARIFICATION

2017 BRSCC Mazda MX-5 Championship

BULLETIN NUMBER 01
DATE OF IMPLEMENTATION: 13/06/2017
CHAMPIONSHIP PERMIT NO: CH2017/R037

The following changes are to be made to the official regulations already issued for the above Championship within the rights reserved in Art. 1.1. of the Championship Regulations. These will be implemented immediately or as shown subject to MSA yearbook regulations.

AMENDMENT

Current Regulation

5.13 Tyres

Specifications

The control tyre for the Championship will be the Hankook K110 Ventus Evo 195 50 R15 82V.

New Regulation

5.13 Tyres

Specifications

The control tyres for the Championship will be the Hankook K110 Ventus Evo and the K120 Ventus V12 Evo2/195 50 R15 82V.

Reason

Hankook Tyre Uk Ltd has recently informed us that they have miscalculated the available stock of the K110, having originally advised us that there was sufficient stock to last the 2017 season. There is no available stock and the tyre is now out of production therefore we intend to introduce the K120 as an alternative with competitors able to use either tyre.

The K120 will retail at the same price as the K110 and the BRSCC will exchange any new and unused K110 tyres purchased this year for the K120.
